

Welcome to Owls Class

**Mrs Philpott & Mrs
Squires (teachers)
Miss Chettle (TA)**

Mrs Squires and Mrs Philpott will be your teachers next year. Mrs Squires works on Monday and Tuesday and Mrs Philpott for the rest of the week.

Mrs Chettle is the TA in the owls class.

We eat together
in the hall. The older
children serve the
younger children. We
are like a big family.

Our toilets

Small toilets

private
no hand
dryers

Owls outside classroom

We love playing and
counting and exploring in
Owls class

We do lots of writing using the letters and sounds that we learn in our daily phonics lesson. We use the Read Write inc phonics scheme.

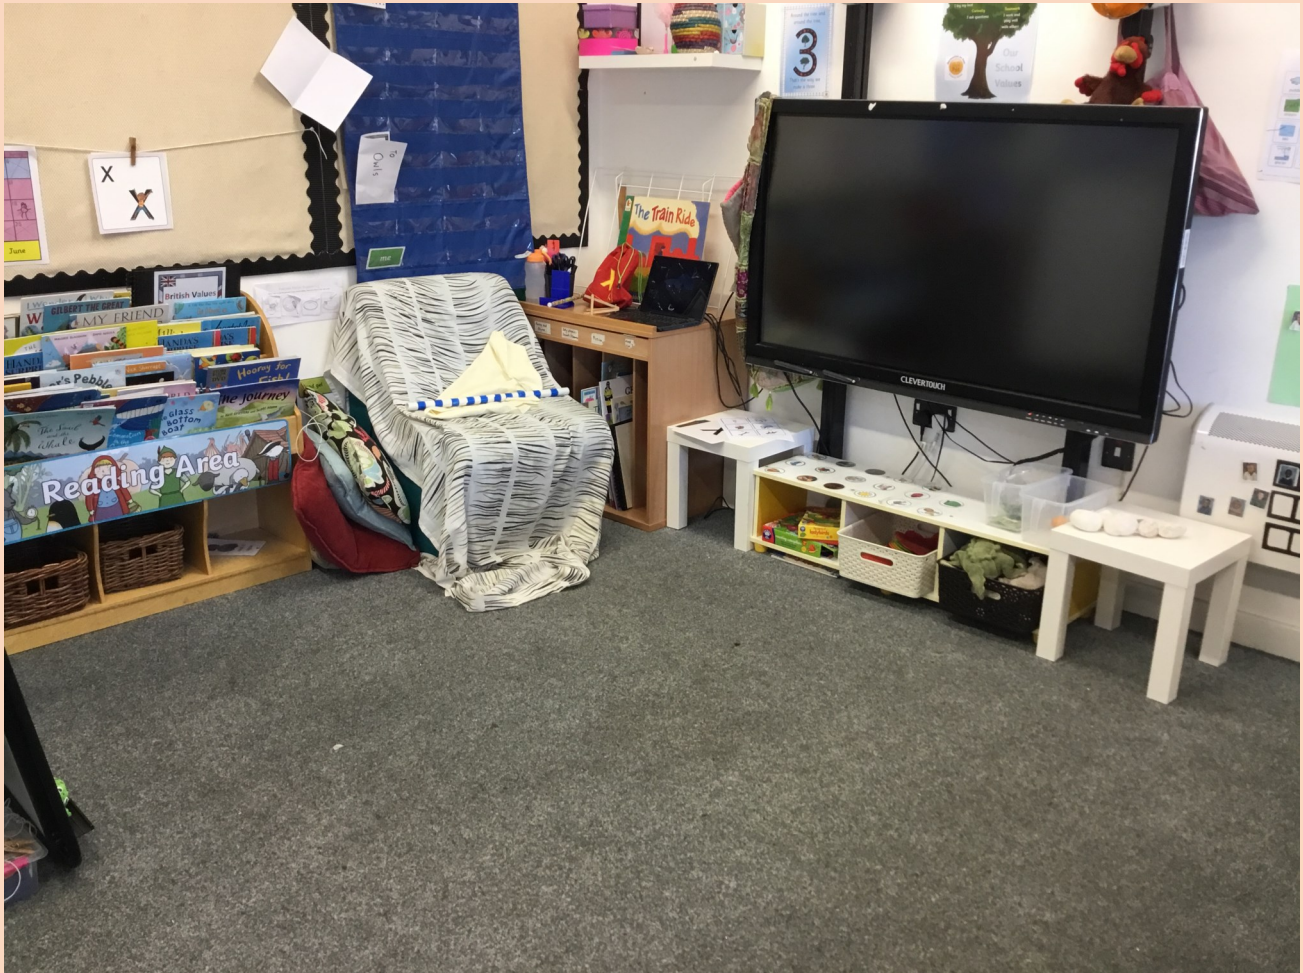

We play with playdough every day and we always make our own playdough. We choose the colour and the scent. We always have sensory play as well.

We love to play in the home corner. We can dress up, cook, play doctors or vets or fly around the World. We love to use our imagination.

We use this space for our small world play and have access to cars and trains, planes and animals, people and logs along with things linked to our topics.

We have stories every day and do lots of singing and making music as well. We sit together on the carpet and do lots of learning as a group here.

We all love dinosaurs so we have a place where we can play with the dinosaurs every day. There are blocks here as well.

We do lots of drawing,
writing and mark-making.

We have our own pictures
and we put our water bot-
tles here on these pictures.

We use hand gel to keep
away germs and have fruit
snack every day.

We are so creative and can paint every day and use the craft trolley to make and create lots of amazing models and artwork.
