Do you have a pet that would cope with a visit to school? We are learning about animals and pets in Owls class and would love to meet a range of animals and find out how to take care of them.

Please email head@nosps.co.uk if you are able to take part.

Thank you

Headteacher message

Welcome back to school and happy new year to everyone. We are trialling an early bell at 8.55am so all children are in class and settled and ready to learn at 9am. The school day I absolutely packed and 5 minutes lost at the start of the day quickly adds up over the week.

Breakfast club is extremely popular and this means that a lot of the children are already in class and ready to start at 9am. All are welcome to come along to the free breakfast club that starts at 8.30am.

Clubs from January 2026

Sports club run by Clements coaching starts on Monday 5th January and runs weekly from 3.30-4.30

At this time we do not have any other after school clubs in place due to lack of take up but this remains under review.

Friends of school are planning regular half termly events instead that include craft events, possible film club session and more. We will share this information as plans are made.

Equals Trust

This half term we are taking part in lots of subject specific training for staff in the form of networks that take place with subjects leaders from all schools in the trust. This is a great way for staff to share ideas and what is going well.

Sharewear clothing donations

[Donate Clothing – SHAREWEAR](#)

If you are having a clear out and have any GOOD quality or unworn clothes then please consider donating to sharewear. I am happy to collect donations at school and take to the drop off areas. Men's clothing is being sought at this time but please check the website above,

Thank you all for your continued support *Sarah Philpott* (Head Teacher).
